

The Children's Hemiplegia and Stroke Association (CHASA) is giving away a new iPad as part of our Streak for Pediatric Stroke 2012 Campaign. All you have to do to be entered to win the iPad is set up your fundraising page and raise money for CHASA through the Streak for Pediatric Stroke Firstgiving.com site located here: <http://www.firstgiving.com/CHASA/streak-for-pediatric-stroke>

### How it works

For every \$25 in donations you raise on your Firstgiving page, between 3/1/12 and 5/31/12, you will receive one entry into the drawing for the iPad. Example: If you raise \$375 on your Firstgiving page, you will have 15 entries in the drawing for the iPad. If you raise \$98, you will have 4 entries in the drawing.

### How to enter

1. First set up your fundraising page on Firstgiving. Click the green "Fundraise" button above and you will be asked to sign in or create an account.
2. After you create your account or sign in, you will be asked to Select a Team, Create a New Team, or Skip This. If you don't already have a team or fundraising page, select "Create a New Team" and name your team.
3. Give your page a title - John is streaking for pediatric stroke, Team Jackie, Jennifer's Streak, In Honor of Liz. Tell your story or just give a few pediatric stroke facts or just say you want to help little stroke survivors or kids with hemiplegia. Upload a photo if you'd like. Set a fundraising goal. You can always go back and edit your page later.
4. The next page will give you the address for your Fundraising page. Copy that link and use your personal email, facebook page, twitter, texting or just hand out a flyer and ask your friends to donate. Do not use the "spread the word" feature on Firstgiving. You want to send out personal messages so people don't lose this with a spam filter.
5. Now - ask everyone you know to donate. Remember - you'll be entered into the iPad contest for each \$25 of donations on your page. We'll add them up and round up to the nearest \$25.
6. Fill out this [form](#) and let us know that you've set up your page. This form requires the link for your page, so make sure you remember how to find your page.
7. Start Streaking for Pediatric Stroke!!
