

“My **baby** had a **stroke?**”

You probably have lots of **questions**, and might be **feeling** like you're the **only family in the world** this has happened to.

We just want you to **know,**
You are not alone.

We are **CHASA**, the *Children's Hemiplegia and Stroke Association*. We're here to provide **support and resources**; but most importantly we **connect you** to other **families just like yours**.

So take a **deep breath,**
and **hug your baby...**

When you're ready, visit us at **chasa.org**. *We'll be here.*
